

Counselling

All counselling at the Loss & Grief Centre is with a registered counsellor. The cost for counselling per session is \$135 (inc GST).

We understand that this can be a barrier to some people getting the support they need.

Subsidised counselling may be available upon application, please contact us to let us know if you require a subsidy.

A limited number of subsidies are available.

Kapiti Loss and Grief Centre
(Registered Charity)
Supported by Donations & Community Grants
